AMATEUR STARS OF THE DISTRICT-No. 11

NORMAN A. KRAFT. One of the best-known receivers in the amateur ranks of the District is Norman A. Kraft, at present doing the backstopping for the Post-office team of the Departmental League.

'Way back in 1901 Norman jo

neyed out to Four Mile Run to see the Washington Athletic Club and the crack Norris Peters team hook and when he arrived at the scene of the big battle the Washing-ton outfit had no receiver, so they called upon Norman to do the back stop work, and the heady boy did it

o the queen's taste. This was practically his first game In fast company, and he did so weilt that the Norris Peters team grabbed him at once and he played with them for the next two seasons. Kraft also caught for the Del Ray Club for some time.

In 1903 and the three succeeding years Norman was behind the bat for the Navy Yard nine, but in 1906
